Application for promotion from 1\textsuperscript{st} October 2016

Statement by NHS Representative

Applicant : ________________________ Department : _____________________________

Honorary NHS Contract – Clinical Work and Postgraduate Medical Teaching and Training

See Section 7 (Document 6).

Please provide a commentary on the candidate’s role and the effectiveness of his or her contribution to clinical work including postgraduate medical teaching and training.

If an applicant holds an honorary NHS consultant contract, the Chair of the Faculty Promotions Committee should consult the relevant hospital, and request information on the applicant’s role and performance with regard to clinical work including postgraduate medical education and training. The Clinical School office will invite the relevant hospital to nominate one person to provide this information on request to Heads of Departments.

If it should be necessary to refer in the statement to any declaration of disability or wish for personal circumstances to be taken into account when evaluating teaching, research or general contribution, (para 7.33, para 8.19; Appendix 1, 3.2 – 3.4 and notes on Documents 2 and 4), advice should be sought from the relevant HR Business Manager in the Human Resources Division.
